

THE ROOFING CONTRACTORS ASSOCIATION OF SOUTHERN CALIFORNIA PRESENTS:

MEMBERSHIP MEETING

The Commercial Industry Education Program (CIEP) offers educational safety seminars for commercial drivers, carriers, and drivers of passenger vehicles. These seminars identify actions drivers can take to avoid a collision, specific tips on sharing the road with other vehicles, and an outline of basic rules of the road.

Jason McCutcheon,
Officer, CIEP Coordinator
PRESENTER

Topics covered include:

- Driver safety and rules of the road, which encompasses a basic overview of traffic laws, including speed control and safe lane changes
- A basic overview of the North American Standard Out-of-Service Criteria which has been adopted by California and serves as a guide for when a vehicle is deemed to be so unsafe, the violation must be corrected before it can continue on its course of travel
- The proper way to perform a thorough pre-trip inspection
- Procedures for reporting highway emergencies
- An overview of hours-of-service regulations, including how to properly maintain log books/time cards
- Correct application of size, weight, and loading regulations
- Controlled substances and alcohol testing
