APRIL MEMBERSHIP MEETING

Hosted by The Roofing Contractors Association of Southern California
& Western States Roofing Contractors Association

MEMBERSHIP HAS ITS BENEFITS

And it's not what you think!

The benefits of membership may surprise you.

Join us for a look back at the history of our Associations, what we are doing now, and what's in our future. Please set aside your perceptions of associations for a few hours and hear how membership can make a difference for you.

With a nice mix of programs and resources you will easily find something useful from either membership. But the real benefit is spending time with of a group of like-minded people.

What better way to meet today's challenges than with:

- Advocacy and representation with regulatory agencies.
- Access to new products and services.
- Consultation opportunities with legal counsel & safety specialists.
- Introduction to new training & recruitment initiatives.
- Social Events with fellow contractors and other industry professionals.
- Discounted dues for companies with 1-9 employees (RCASC)
- Savings on your dues & purchases with WSRCA.
- Chances to give back to our industry and community.
- Meetings & newsletters for issues impacting your business.
- Chances to give back to our industry and community.
- Being part of a great community of roofing professionals.
